

Flat Rate Tool Service

Flat Rate Tool Service – A More Efficient Solution

The Lower Cost Service Model for your complete service needs

Like New servicing quality – saving time and expense

Tools like New – Maximum Performance, Maximum Value

At Leitz, we believe in extending the life of your tools while maintaining perfect machining quality throughout their entire lifecycle. Our Leitz Tool Service ensures that tools from any manufacturer are reground and restored to "like new" quality, all while meeting the highest precision standards.

With the Leitz Flat Rate Service Plan, you benefit from lower monthly servicing costs and full cost transparency for your tooling needs. By keeping your tools serviced to Leitz standards, you maximize their performance, lifespan, and ROI, ensuring they operate at their best every time.

Leitz flat rate tool service plan is simple:

- Our team at Leitz Australia will analyse your last three years service expenditure
- We will calculate a percentage discount on your current expenditure based on a flat rate for 12-24 months
- You can now focus on what you do best

YOUR BENEFITS

- Less administration
- Transparent invoicing
- Accurate tool cost forecasting

REQUIREMENTS

- Documented sharpening costs from the last twelve months
- Exact description of the production processes
- Production quantity as constant as possible

SUITABLE FOR

- Medium companies
- Large companies

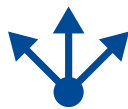

Your benefits due to ...

EFFICIENCY

Reduced servicing costs and full control

- Fixed collection and delivery times
- Reduced time on planning for servicing and machine downtime
- Ability to forecast servicing and maintenance costs
- Quality tools performing at their best

FLEXIBILITY

Adjusted to your needs

- Each plan adapted to your company's particular situation
- Servicing plan can start as soon as the beginning of the next month
- Re-grind tooling from all manufacturers

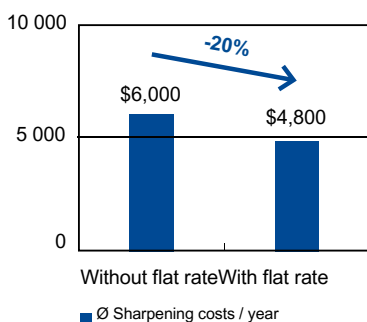

RELIABILITY

Tailored and transparent

- Consistent costs and invoicing
- Uniform service and quality standards
- Handling by qualified Leitz personnel
- Complete service process documentation

Calculation example: Medium-size company

	Without flat rate	With flat rate
Ø Sharpening costs / year	approx. \$6,000 / year	approx. \$4,800 / year
Ø Total savings / year		From \$1,200 / year + bonus new tool credit

24 Month Sharpening Service Supply Agreement

Agreement Summary:

- **Monthly Service Fee:** Leitz Tooling Systems Pty. Ltd. will invoice a monthly fee of \$_____ for a period of 24 months from the agreement's commencement date.
- **Scope of Service:** This fee covers all sharpening and servicing of tools, but excludes additional costs arising from re-tipping, intentional damage or misuse of tools.
- **Tooling Credit:** Upon execution of this agreement, Leitz Tooling Systems Pty. Ltd. will provide a tooling credit of \$_____, which can be applied exclusively toward the purchase of new tools during the agreement term. This credit is valid up to the specified amount and cannot be transferred, refunded or extended beyond the contract period.
- **Early Termination:** If the agreement is terminated before the 24-month term is completed, an early cancellation fee will apply, as detailed in the table below.
- **Fee Review & Adjustments:** To ensure fair and accurate pricing, Leitz Tooling Systems Pty. Ltd. will review the monthly service fee on a quarterly basis. Any adjustments will be discussed with the account holder, ensuring the fee reflects actual servicing volume while maintaining the best value for your business.
- **Pricing & GST:** All prices are exclusive of GST.
